Antique & Classic Boat Show

By Todd Moen

Our Club was invited to display our RC Boats at the White Bear Lake Antique & Classic Boat Show. This event provided the club with great public

exposure with a few of our boats. A special thank you goes to Dick Waker, John Bertelsen, Kevin Waldo, Joe Steele, & Julia Moen for taking the time to represent the club.

COMMODORE'S CORNER

By **John Bertelsen**

The vintage and historic boat show at White Bear Lake saw a lot of people stopping by to

talk about our boats. Dick Walker was talking to people almost non-stop the entire day, Joe Steele was doing the same thing and also giving pointers to a sailor who just started racing full size sailboats. It was a windy day with very strong gusts, so that while the rain held off, the gusts kept our boats off of the lake. General consensus was it was a good show and we should plan on doing it again next year. Pat Oven, the show organizer, was very pleased with the attention we were getting and said we were going to get an annual invitation to be part of the show. Added bonus was a killer BBQ surfer hangout where they make their own meat rub and sauces.

Coming up is the summer picnic on July 27th from 12:00pm to 4:30pm at the St. Croix Rail Road, just south of Hudson Wisconsin. I have talked with the people that run the club several times and they indicated they expect 500-700 people to attend the one day a month they are open to the public. We will get a behind the scenes tour. They have a nice concession area, running water toilet facilities,

and the picnic area has 20 tables. It is important that we have a head count of those who will be there so we can set up adequate space for ourselves. Please let myself or one of the board members know if you are attending. A map will be distributed at the ponds, at the membership meeting and in a follow up email. --John Bertelsen

Como Park Band Organ Rally

For those who love band organ music, you will not want to miss this event at Como Park in St. Paul. The rally begins at 11:00 AM Saturday, August 9th & 10th with organs throughout the 450-acre Como Park. Instruments will be placed throughout the grounds including the Victorian Marjorie McNeely Conservatory, Visitor Center, Como Town Amusement Park, Cafesjian's Carousel, the Frog Pond, the Enchanted Garden, Como Lakeside Pavilion, and within the Como Park Zoo. This rally is in celebration of the 100 year old Cafesjian's Carousel now permanently located in Como Park. The last time this rally appeared in Como Park was in 2002, so this is a rare opportunity to see many band organs and hand cranked organs all in one place. If you love carousel type music this is a great place to be.

Where has everyone been at the Center pond? The 2014 boating season is now half over and very few boats have made their appearance at Centennial Lakes! It will be hard to put a video DVD together if I can't film your boats! – Todd Moen
