## COMMODORE'S CORNER

By **John Bertelsen**

**T**he best time of the year is here, and some of my favorite events are

just around the corner, with so many events already enjoyed this year! Even though I am not one of the better racers in the club I just love the 2-3 pond races. Partly it is that it shows how easy it is for our sailboats to navigate more than just the middle pond or just the race course on the south pond. And it is the only time that I pilot different boats back-to-back so that you can really feel the difference between one model and the other. I also love the surprise aspect of the swap meet never knowing what is going to show up, and of course the Dry Dock Party is really special. Speaking of which, if you have not already found out the party had been moved to one week earlier to November 12th, otherwise all is the same.

**Special Thanks...**To members that contributed talents to this issue: Dick Dahlquist, John Bertelsen, Dave Robb, Dale Johnson & Larry Wheeler -*Todd Moen*

## A NOTE FROM TODD MOEN

**C**ontributions of photos or video clips are now needed for the annual slide show & movie presentations... The boating season is coming to a screeching halt soon. In order for me to put together the DVD'S for the year, please submit now to me on a CD disk if you have any material.

Last year I got a late start on this due to late submittals and had to take a week's vacation from work to prepare these for the Drydock Party. I just bought a new laptop with lightning speed, more memory and new software to create these presentations with some new special effects to use.

The Drydock Party's evening has been moved up to Saturday November 12th, due to a scheduling conflict with the park, so this gives me even less time to prepare the presentations.

If anyone would like a boat considered for the Parade Of Boats poster next year, now would be the time to get it photographed with the fall colors reflecting in the water. I don't recall ever seeing one of John Bishop's boats being on the poster, and I am sure there are other "long time" members of the club that have never had their boat on a poster. Please give it some thought and we can then arrange a photo session.
